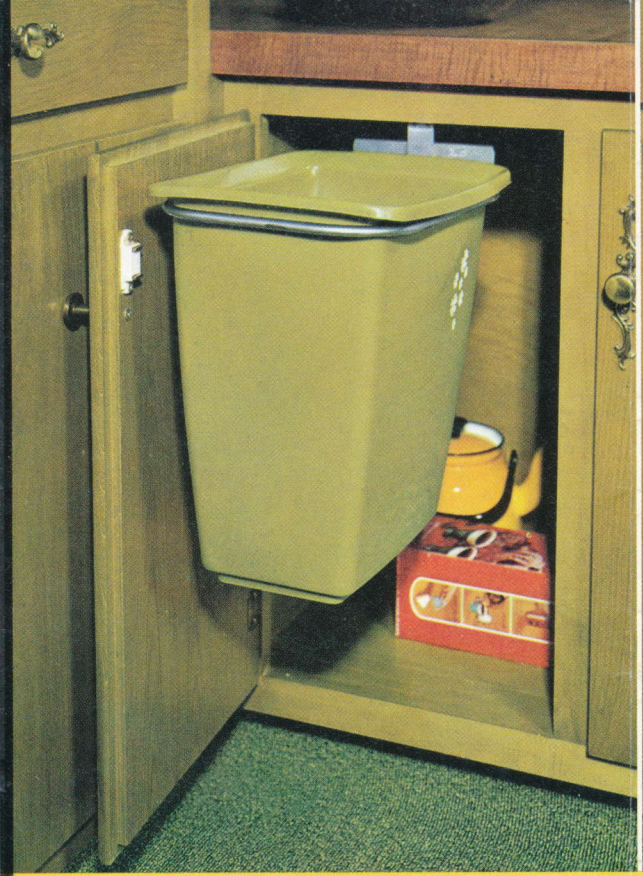
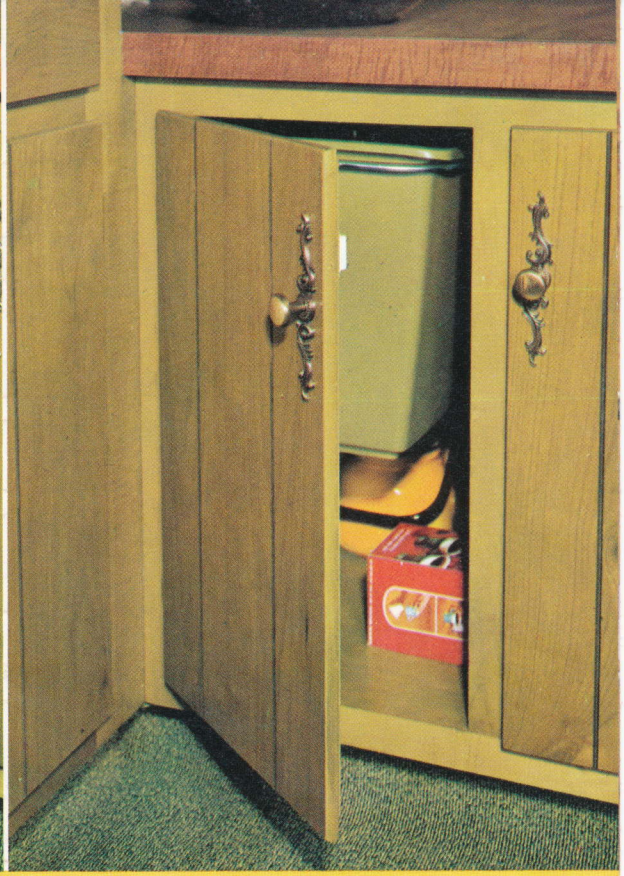
kitchen storage aids

KNAPE & VOGT MANUFACTURING CO., GRAND RAPIDS, MICHIGAN





DISAPPEARING WASTEBASKET RACK conveniently brings wastebasket out to you. Sturdy top mounted track for years of trouble-free service. Basket lifts out easily for emptying. Rack is 9" wide and 20" long.

DISAPPEARING SINGLE PAN RACK puts an end to clutter. Lets you organize your utensils according to how often you use them . . . or any way you like. It takes up to 7 pots or pans and is 2½" wide by 20" long.

DISAPPEARING DOUBLE PAN RACK holds up to 14 pots and pans in apple pie order. No more clattering through a stack only to find the utensil you want on the very bottom. Installs in minutes. 5¼" wide and 20" long.

DISSAPPEARING 2 BAR TOWEL RACK puts towels there when you want them . . . out of sight when you don't. Like all KV kitchen storage aids, they make every square inch of space work harder. Nicely fits a space only 3½" wide and 20" long.

DISAPPEARING 3 BAR TOWEL RACK is typically easy to install. Anyone can do it. Even a busy mother with a "Terrible Two" in tow. Screwdriver and drill are all the tools you need. Simple instructions are printed on the box. measures 5" wide and 20" long.

DISAPPEARING 4 BAR TOWEL RACK with gleaming chromed finish . . . rust resistant . . . lasts a lifetime. It's a quality feature shared by all KV products in this folder. Dimensions are 5¼" wide by 20" long.

DISAPPEARING CUP RACK holds up to a dozen cups. Extends and retracts noiselessly . . . like our other disappearing space savers. Does so on finger-tip pressure. We've designed out all jerks and jambs. A space 11" long is all you need.

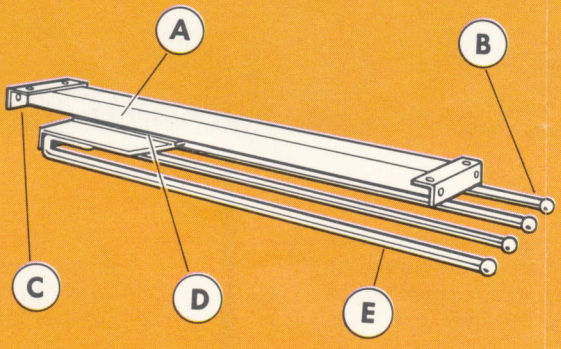
Get these other KV space misers

HANDY KV GARMENT HOOKS are available in 5" and 10" sizes. Both are made of chromed steel. Hang 6 or more garments depending on type.

ALL PURPOSE UTILITY HOOKS are 12" long and of lifetime quality. The most practical holder around for mops, brooms and countless other household items. Bright nickel finish.

WARNING: *KV PRODUCTS MAY BE HABIT FORMING. We design them to do one thing uncommonly well . . . stretch storage space till it squeaks. This makes kitchen work ever so much easier . . . which is awfully easy to get used to. The next thing you know, you're back for more. And . . . that's the way we planned it.*

FEATURES DESIGNED WITH YOU IN MIND



A Chromed finish looks better longer.

B No sharp edges for little hands to find . . . or big hands for that matter.

C Easy installation. Only screwdriver and drill are needed.

D Products ride easily . . . silently . . . on ball bearing rollers.

E All KV kitchen storage aids are made to last . . . not fall apart as soon as they're paid for.

KV PRODUCTS ARE AVAILABLE AT LEADING HARDWARE, LUMBER AND BUILDING SUPPLY DEALERS EVERYWHERE.
